**Difficulty:** Beginner

**Course Duration:**

## Project 1: Basic Business or Personal Website

Project 01 of Web Development BootCamp program is to develop an information-based website. This could be anything from creating a photographer portfolio site, to making a website for a made-up pizza restaurant. This project will help you in showcasing this as a portfolio to demonstrate your skills acquired from this training.

### Course Outline:

## Credly Badge:

### **Display your Completion Badge And Get The Recognition You Deserve.**

Add a completion and readiness badge to your LinkedIn profile, Facebook page, or Twitter account to validate your professional and technical expertise. With badges issued and validated by Credly, you can:

- Let anyone verify your completion and achievement by clicking on the badge
- Display your hard work and validate your expertise
- Display each badge's details about specific skills you developed.

Badges are issued by QuickStart and verified through Credly.
